

Drive and Be Driven – September 17, 10.00am, Bill Allsep House

Announcing our Grand Annual Drive Day - a Rolls-Royce and Bentley Classic Affair!

The time has come for one of our most anticipated events of the year – the annual Rolls-Royce Owners Club Drive Day!

As proud owners of these iconic luxury vehicles, you are cordially invited to join us for a day of unparalleled elegance, camaraderie, and the sheer pleasure of driving the finest automobiles in history.

Mark your calendars for September 17 as we embark on a day that provides members and guests the opportunity to experience the grace and opulence these vehicles represent and to enjoy the shared passion and camaraderie that our club fosters.

We invite you to share the elegance and craftsmanship of your beloved vehicles while connecting with fellow enthusiasts who share your appreciation for automotive artistry.

The Annual Drive Day promises to allow members and guests not only an unforgettable driving experience but also an opportunity to forge new friendships within our community, so reach out and invite neighbours, friends and family come along and enjoy this wonderful day.

A special invitation to all owners of pre-war and early war cars to bring their cars along to help us in making this year's Drive Day a pinnacle of classic luxury, elegance, and automotive excellence, as the older cars presence will undoubtedly enrich this already esteemed event.

We eagerly anticipate your participation and look forward to witnessing a convoy of these distinguished classics grace the open road once again. Get your marque cars ready and prepare for an unforgettable day that befits the legacy of Rolls-Royce and Bentley!

A sausage sizzle will be served at Lionel Gell School of Instruction to conclude the event.
